

To Whom It May Concern

Long for Life Foundation is represented by a community dedicated and compassionate team. We are a Non-Profit Organisation that is focused on the development of people in rural and peri-urban areas. The foundation seeks to mobilise resources and partners to embark on programs and projects that empower people and assist them to become active citizens by being able to realise their full potential.

We are an organisation that is dedicated to readdressing the imbalance of the past and has played a significant role in removing the barriers for young people to enter into various Careers and professions. We pride ourselves on making a difference in the lives of learners by giving them a platform to receive information that will help them shape their career choices and become role players in the South African Economy, through our career guidance book and our internship program. We want to give learners & students the opportunity to become successful, responsible leaders that will contribute to the economy of South African.

Long For Life Foundation is requesting that your company joins us in our mission by becoming a corporate sponsor in our education and internship programme. We have identified your company as a key role player in career guidance in your specialised industry; your contribution will contribute enormously to the future of South African leaders, students will be given an opportunity to access the work environment through your company and your assistance.

For Life Foundation board, volunteers, staff and program participants greatly appreciates your generous consideration of our request. Please let me know if there is any additional information I can provide please do not hesitate to contact us on the details supplied.

Kind regards

Tando Mandela
Founder & Managing Director
